

Kid's Corner

The idea of the "Vigo World Class Tour" started back in 1993 around the lunchroom table of the owners of the family owned business. Three generations were discussing how supportive the community of Tampa has always been towards the company and their products and how they were now in the position to return something to the community. Essay Contest Winners

The essay contest has very simple rules. We ask each student taking the tour send a short essay telling us what they learned on the Vigo World Class Tour. Here you will find the Contest Winners
